

## WHY SHOULD YOU BECOME A DELEGATE TO THE DEMOCRATIC NATIONAL CONVENTION?

You watch it every four years on television- the National Democratic Convention! Candidates, speeches, and delegates from every state of the Union, gathered to name our Democratic Presidential Nominee and carry the banner of democracy to the White House!

The very nature of our Democracy is that everyday folks from every walk of life and every corner of our Nation can come together in equality to represent their communities. In this spirit, the Democratic voters of each state send their delegations to select the head of our Party and the next President of the United States of America. This is the essence and purpose of our national convention.

You can be one of those people by running for election from your Congressional District or At-Large to be a member of the Tennessee Delegation. Your participation in the political system is the key to our democracy.

The Tennessee Democratic Party is preparing now to select our Delegation to the 2020 Presidential Convention in Milwaukee, to be held the week of July 13, 2020. If you're a dedicated Democrat who wants to serve your community, county, district, and state, then we welcome you to file a Declaration of Candidacy and Democratic Party Pledge of Support for your Presidential Candidate, stand for election in the delegate selection process and serve as a 2020 Presidential Convention Delegate to take part in this moment in history!
