

VOTER PROTECTION

THE 2018 ELECTIONS ARE TOO IMPORTANT TO GET SHUT OUT.
LEAVE NOTHING TO CHANCE. MAKE SURE YOU CAN VOTE: TNDP.ORG/VOTE

PROVISIONAL BALLOTS

Because of high levels of voter registration in Tennessee at the October 9 deadline, it is possible that some voters who think they are registered will not show up on the rolls.

AS LONG AS YOU REGISTERED BEFORE THE DEADLINE, YOU ARE ENTITLED TO VOTE.
If you are told you're not on the rolls, ask the election official to call the election commission first. If that fails, ask for a provisional ballot.

VOTER PROTECTION HOTLINE

If you run into problems voting or are turned away at the polls,
call our Voter Protection Hotline: **855-844-VOTE.**

The hotline will be available during Early Voting (Oct. 17-Nov. 1)
and on Election Day (Nov. 6).

Write it down. Memorize it. Share it with friends.
